CHAIRMAN REPUBLICAN CENTRAL CONTTEE ADVISES DELEGATE NOT TO OPPOSE CONFIRMATIOF GOVERNOR

Editor Honolulu Star-Bulletin,

Sir:-The Advertiser has misrepresented and luoted the Delegate until it has come to such a point, that the paper not even fair in its news columns. In my speech at Kalihi last evenil was appealing to the Hawaiian voters who were afraid of Frear as ho thought that the big interests would control the Senate if Rentond Downett were elected, to take Kuhio's word for it, that their best rests lie in voting for the Republican ticket.

The Advertiser twisted my meaning. As a matter of fact his various statements in during his speeches of the past week fully explain his position relatio Governor Frear, and can be misunderstood only by those who are punced enemies of the

Prince, and the Hawaiians. Kuhio does not intend to be bull-dozed into ing a signed statement of his position by the Advertiser—and I don't he him.

My advice to the Delegate will be that he opt oppose the confirma-

tion of Governor Frear if he is reappointed. (Signed) ROBERT SHINGLE.
